***Robinson, Kriegel v. Pacifica Foundation, et al.*  
Case No. C 00 3814 MJJ**

Gentlemen:

As you have seen in connection with our Reply to your Opposition to Motion to Realign, we believe that, should the Court have any question regarding the proper alignment of the parties, limited discovery would certainly serve to establish the appropriateness of our Motion to Realign. We thus will seek to have the Court allow us to begin such discovery and believe it

appropriate to do so by expedited motion. We believe this would enable the Court to get to the truth of these issues and we would, therefore, request your agreement to our request for an expedited motion to begin discovery. We invite you to call if you wish to confer regarding our request. Absent agreement, we will ask the Court ourselves, pursuant to Civil L.R. 7-10. I look forward to your prompt reply.

Very truly yours,

WENDEL, ROSEN, BLACK & DEAN, LLP
